

# My Magical Potion

Write instructions for your own magical potion.

## Think about...

What will your magic potion do? What ingredients will you use?

A cartoon illustration of a chemistry flask containing a yellow and orange liquid with bubbles, and a cork stopper. The flask is tilted, and the liquid inside is a mix of yellow and orange with several small bubbles. The cork is brown and has a black band around it. The flask is located in the bottom right corner of the page.
