

Working Together

1. Which word in part 3 is similar in meaning to the word 'community'?

A: Colony

2. Name the four jobs that ants have within a colony.

A: Worker, queen, drone, soldier

3. What different things can ants achieve if they work together?

A: Dig tunnels to create nests; construct bridges; build rafts

4. Why might an ant colony need to build a raft?

A: to escape from flooding

5. Why does the author describe an ant colony as being like 'one giant animal'?

A: Ants are so small that they can't achieve much on their own; however, working together they can achieve as much as a large animal.
